Dear Members:

We would like to notify you of some unfortunate incidents that recently occurred at the community. On Friday October 31, 2008 a few units in the complex were burglarized including units on the second floor. It appears that they climbed up to the second floor lanais and jumped from lanai to lanai looking for unlocked sliding doors.

The Board cares about its fellow neighbors and wants everyone to know what happened and to urge you to exercise caution with respect to your personal safety and the safety of your property. To help you, we've included with this letter a page of helpful tips for your safety.

If you notice any kind of suspicious activity, **please report it immediately to the police.** It's okay to call the resident manager, too, but please call the police first. Time is of the essence.

Please feel free to contact the management office if you have any questions.

Yours truly,

Scott A Sherley (R) BIC
